Event Program

# Our Mission

Give Hope Foundation was established as a non-profit corporation in early 2005.

As a volunteer operated non-profit organization, we provide support to children and families in Central Florida who are battling childhood cancer and have a unique combination of medical, emotional and financial needs. No member or volunteer of the organization is compensated in any way whatsoever for their efforts.

## How Give Hope Helps Our Community

### GIVE HOPE HERO PROGRAM

The Give Hope Hero Program was established in 2007, and has served to assist Central Florida children & families battling childhood cancer. Since this program's inception, over 300 local families have reached out to us to help their 'hero'. Our assistance comes in many forms; In some situations, Give Hope may grant a 'wish' for a child. In other situations, Give Hope was able to provide assistance with basic necessities that enabled families to spend more quality time together and reduce their overall stress during their battle with cancer.

### GIVE HOPE FUND

Each year, we add a percentage of our proceeds to the Give Hope Fund in hopes that one day we will have a large sum of money with which we can make a major impact in the Central Florida area in the battle against childhood cancer.

### GIVE HOPE HERO SCHOLARSHIP PROGRAM

This Program provides financial support towards post-high school education to previous recipients of the Give Hope Hero Program. Each year, we select applicants based on available funding, and they receive up to \$1,000 per semester for a total of \$5,000. We have now granted 5 of these scholarships!
